ACADEMIC DISHONESTY

Academic dishonesty is not acceptable. Cheating, defined as copying another student's work and claiming it is your own and plagiarism, defined as the use of another person's original ideas or writing without giving credit to the true author, are both prohibited practices. Materials taken from electronic sources are covered by this policy. A student who engages in any form of

academic dishonesty will be subject to the loss of credit for the work in question, as well other disciplinary measures up to and including suspension or expulsion.

ASSEMBLY PROGRAMS

A limited number of assembly programs will be selected, financed, and scheduled by the faculty and administration each year. Programs will be selected that are informative, educational, and entertaining. Students are expected to demonstrate proper respect toward the presenters, as these programs offer a welcome break from the daily routine and should be continued.

ASSIGNMENT TO CLASSES

Students are assigned by the principal and counselor to classrooms with the intent of achieving a balance of boys and girls, academic levels, social maturity, and special needs. Parents may request if there is a sound, educational reason. If a parent would like to request, he or she must provide a written statement to the principal prior to **May 15th** stating why the request should be granted. A meeting may be scheduled, but the written request must be done prior to the meeting date. Phone requests will not be granted.

ATTENDANCE

Research continues to show a high correlation between regular school attendance and academic achievement. Absences result in inconsistent learning and reduced student achievement. Attendance is clearly necessary for success in the classroom. Students need to develop habits of punctuality and responsibility which will later be vital in the business community. Students at Inman Elementary will be expected to be punctual and regular in their attendance. Please notify the office by 8:30 a.m. if your child will be absent. A failure to call will result in an unexcused absence.

Due to concern for student safety, a call will be placed to the parents or guardian of any student that is not excused from school by written permission or a documented phone call. The building secretary will place that call by approximately 9:00 a.m.

Students are expected to attend school full time except for illness, doctor or dentist appointments, religious reasons, family emergencies, or special circumstances as approved by the principal.

In any case, the school should be notified by phone or note of ANY absence for ANY reason. In the case of planned absences, class work is to be made up prior to leaving, if possible. Please send a note when your child is not to participate in any school related activity for health reasons.

Following six absences in a semester, the principal has the authority to:

1. Schedule an attendance review with the parents and appropriate school personnel; and/or
2. Require a doctor's note explaining the reason for excessive or extended absences.

In compliance with state law, truancy is defined as "three (3) consecutive days of uninformed absences or five (5) days of uninformed absences in any given semester." The principal will inform parents and SRS in writing if this occurs.

On the other end of the spectrum, we do not wish to spread illnesses unnecessarily. **Our school policy requires that students remain home for 24 hours after throwing up, diarrhea, or a fever.**

CARE OF PROPERTY

We have a beautiful school building and campus due to the care given by our custodians and because teachers and students are careful not to abuse it. In the event a student is apprehended for willfully and maliciously mutilating, defacing, or destroying school property, the student will be disciplined in accordance with IES and Board of Education policies. **The student will also be required to pay a dollar amount including labor costs for repairing the damages. Damages resulting from accidents or horseplay may result in full payments by the student(s) responsible.**

CHECKING IN AND OUT AT THE OFFICE

All visitors must sign in and out at the office and receive a visitor's name tag. All parents must check with the school office before visiting a classroom or picking up a student from school. Parents needing to take a child out of school during regular school hours must check out at the office. Teachers are not to dismiss any child from school at an early time without communication from the office. No student will be released from school, except to a parent, guardian, or designee. This procedure helps to insure that students are accounted for at all times.

CHILD ABUSE/NEGLECT

Kansas law requires all cases of suspected child abuse/neglect be reported to the county court system or the Social Rehabilitation Service (SRS).

CHURCH NIGHT

Wednesday night is Church Night in the Inman Community. As a result, no school activities are scheduled for Wednesday evening. If homework is a concern, please contact the classroom teacher and/or the office.

CONDUCT

Students are expected to conduct themselves in a manner that is a credit to themselves, their family and the student body at all times. Fighting, destruction of property of the school or other malicious action will not be tolerated.

Disorder and disruption of the educational process cannot be tolerated. The Board of Education will, to the full extent of its legal power, prosecute persons with a disruptive intent to endanger the safety of pupils or school employees, to damage property, interfere with the educational process, or attempt to close the schools. Violations of laws and ordinances will be referred to law enforcement agencies, the county attorney, and the courts for proper disposition.

COUNSELOR

An elementary guidance counselor will be available **part time** to work with students on a need or referral basis. Parents are encouraged to become acquainted with this person and work closely with the counselor when necessary. The Inman high school counselor is also available upon request or when need may dictate.

DETENTION

Teachers, at their discretion, may detain a student after school from 3:15 p.m. to 4:15 p.m. The **teacher** will notify parents when this occurs. Students will be responsible to find transportation home. Students will be given a twenty-four (24) hour notice so parents are aware of the situation and can make any necessary arrangements.

DISCIPLINE

Effective discipline is always fair, reasonable, and dignified. The best discipline is self-discipline and it should be the goal of every student to be able to control his or her own behavior. Each teacher will use a positive method of discipline, aimed at developing the accepted Inman Elementary School Life Skills as well as Boys Town Social Skills. Teachers' methods of

classroom management and discipline will also emphasize decision-making, self-responsibility, and promotes positive behavior. Each classroom will list basic rules, tailored to the age and level of the class that should be followed. **If a student chooses to not follow the expectations set by teachers and is sent to the office, he or she will be responsible for completing a behavior report. The behavior report will help the child understand which lifeskills should have been used in the situation. After the report is completed a copy will be sent home to the parents. Please see the IES behavior report and table of consequences at the end of this handbook.**

DRESS CODE

Proper dress of the students has an influence on the overall atmosphere of the school. Proper grooming is necessary on the part of both boys and girls. **If a student does not comply with the dress code, clothes from the office will be given to the student to wear for the remainder of the day, or parents will be called.** The following will be used as guidelines for appropriate dress for the school:

1. Dress must be reasonable and non-disruptive.
2. Shirts must be long enough to cover the torso and back (even with hands above your head - no halter tops).
3. Spaghetti strap shirts may **not** be worn in grades 4-6 unless a thicker strap is underneath.
4. No purposefully torn clothing or shirts slit down the side.
5. Body shirts are subject to administrative approval.
6. Shorts, skirts, or dresses should be of appropriate length (longer than the fingertips of the student with their arms down to their sides).
7. Clothing with obscene, suggestive, or sexual double meanings imprinted or pictured will not be permitted.
8. Clothing alluding to or portraying alcoholic beverages, other drugs, or smoking materials will not be permitted.
9. Sunglasses, unless required by a physician are unacceptable inside the school. They will be left in one's locker. Students, however, are welcome to wear sunglasses on the playground if parents feel they are necessary. The school will not accept responsibility for lost, stolen, or damaged sunglasses.
10. Jewelry that is disruptive is unacceptable.
11. Caps, hats, sweatbands, "doo-rags", scarves, and hoods are not appropriate school apparel and need to be removed when entering the building and kept in the student's locker. Bandannas are not allowed in the building.
12. Bare feet or stocking feet will not be permitted.
13. If dyed/altered hair color presents an interruption to the learning of the student himself/herself or others, it will be addressed as violation of dress code.
14. Undergarments are to be covered at all times, for boys and girls.

DRUGS AND ALCOHOL

The possession, use, consumption, sale, or an attempt or intent to do the same, of alcohol, tobacco, narcotics, marijuana, addictive drugs, or deleterious substances (as defined by State statutes) on public school property or at school activities is prohibited. In the event any student shall be alleged to have violated this regulation, the student shall be subject to the USD No. 448 School Team Plan.

ELEMENTARY EXTRA MILK

Milk for a snack may be purchased for preschool or kindergarten students, but will not be offered in any other grade level. However, any student who brings a sack lunch to school may purchase milk to drink at the noon meal. (Those students who buy a school lunch receive a carton of milk as part of the meal.) The cost of a carton of milk is 30 cents.

ENTRANCE REQUIREMENTS: Identification and Immunization

Senate Bill 593 - Requiring Proof of Identity for Children Enrolling in School, Effective July 1, 1986: Whenever a child enrolls in school for the first time, the board is required to secure proof of identity of the child. The KCI form is available at your doctor's office or health department.

The only legal alternatives to having the immunizations are (1) a physical condition which would be worsened, (2) because of a tenet of the church in which a member of, (3) a 90 day grace period following enrollment in which to complete any needed immunizations. If one of the three conditions exist, the parent must sign KCI form. All KCI are required to be in Topeka no later than September 15 of each year.

K.A.R. 28-1-20. Immunizations required for school entry. Except as provided in K.S.A. 75-5209 (b) and amendments thereto, each child or adolescent shall be required to receive the following vaccinations before enrolling in any Kansas School : diphtheria; hepatitis B; measles (rubeola); mumps; pertussis (whooping cough); poliomyelitis; rubella (German measles; and tetanus; and varicella (chickenpox), unless proof of prior varicella disease is provided. This proof shall be verified by one of the following:

- The signed statement of a physician indicating the child's or adolescent's date of this illness;

The immunization record of each pupil shall document that the pupil has received the vaccinations specified in subsection (a) from a licensed physician or local health department in accordance with the "Recommended Childhood and Adolescent Immunization Schedule-United States, 2003," approved by the Advisory Committee on Immunization Practices (ACIP) and hereby adopted by reference.

The previous version of the KS Certificate of Immunization includes Hepatitis B and Varicella vaccines and may be used to document those immunizations for the new requirements.

Kansas health assessments are required in Kansas. According to the law the assessments must be completed within twelve months prior to school entry or within 90 days after school entry. The law applies to children age 8 and under who are enrolling for the first time.

FIRE/SAFETY DRILLS

Fire drills will be held each month according to state regulations. All drills should be taken seriously by both teachers and students, and carried out as quietly and quickly as possible. If it is necessary to bring a significant amount of money or an object of value to school, it can be left in the school office until it is needed. Students may not lock their lockers.

MEDICATION FOR STUDENTS IN SCHOOL

It shall be the policy of the Board of Education to not allow the dispensing of medications. If it is necessary for the dispensing of medication at school for the general welfare of the student, then a written authorization will be provided by the appropriate physician and/or parent. When a situation arises that a student's health and/or complete recovery from an illness is dependent upon receipt of a medication during school hours, the following will apply:

All parent conferences regarding pupil progress are to be held at school. This is necessary as grade books and teaching materials needed to give the parent a true evaluation are available at the school.

PERSONAL ITEMS

Students are asked not to bring valuables or money to school. If for some reason it is necessary, valuables or money should be given to a teacher or left in the office. The school will

not assume responsibility for the loss of personal items; however, a lost and found department will be maintained in the gym. **Personal electronics (i.e., gameboys, cell phones, walkmans, etc.) are not allowed in class or at recess.** Students are strongly encouraged to leave personal electronics at home. **The school will not accept responsibility for lost, stolen, or damage to such items.**

TARDINESS

Students at Inman Elementary will be counted tardy if they are not in class in their assigned seat when the final bell rings **at 8:15. Excessive tardies may result in consequences. A parent meeting will be scheduled after the sixth tardy to discuss a plan of action.** Repetitive tardies will be reported to the appropriate Social and Rehabilitation office (SRS) if necessary.

TELEPHONES

Use of the school telephone by the students is discouraged except in necessary cases. Also, unless it is an urgent matter, teachers or students will not be called from class to speak on the phone. The secretary will deliver messages or have the person return the call at the first opportunity.

TEXTBOOK MISUSE

Textbooks are purchased by the school district with the intention of an eight-year use. When a student damages a text, purposefully or by accident, and the book is not usable for the eight-year period, the student must pay the cost of the textbook for the proportional cost of early replacement. This cost will be determined by the principal and will be due before the school year closes. The minimum charge will be \$1.50 and further damages will be prorated up to and including the full cost of replacing the book.

Non school age children and post high school adults cannot ride the school bus on an activity trip without the prior approval of a school administrator and the bus driver. Students riding a bus other than their regular route bus, or requesting to be let off at a destination other than their regular destination must have a note from parents, approved by the office and presented to the bus driver. Students without a note, or a parental call requesting the office to issue such note, will not be permitted to make any change in their normal bus schedule. If a birthday party, 4-H meeting, etc., will necessitate more than one extra rider, the bus driver is to be given 24 hours notice.

MISCONDUCT of a student on a bus could result in the removal of the student from the bus. In compliance with the Unified District No. 448 School Board Policy, the following procedure will be used:

WEATHER: SCHOOL CLOSING

The decision to close school is generally a difficult one to make. In one area of the district roads may seem open and passable while in another part they may be unsafe for bus transportation. One of the major problems that must be considered is whether to dismiss early when road conditions are deteriorating. If and when school is dismissed on short notice some children may be left unattended because their parents work. This fact must be heavily considered along with the road conditions when we are deciding if school should be dismissed early. It is best when the decision to close school is made the night before, however we realize this is usually not possible. On mornings when weather and road conditions are poor and you are uncertain about the dismissal of school, turn to one of the radio stations listed below. We will try to notify these stations by 7:00 a.m. if school will be canceled or if bus routes will run at a later hour. Please do not call school personnel unless it is absolutely necessary, due to their need to communicate with other staff. The radio stations will be the FIRST to be notified.

Each family needs to plan for such an occurrence as school closing. Work out a plan of supervision for your children that is to be followed if you are not at home and school is dismissed early. The primary concern in transporting students is safety.

Announcements regarding school closing due to bad weather will be made on the following stations:

| | | | | | |
|------------|---------|-------|------------|-------------------------|------|
| McPherson | KBBE-FM | 96.7 | Hutchinson | KHCC | 90.1 |
| Hutchinson | KWHK | 1260 | | KSNW television channel | 3 |
| Hutchinson | KWBW | 1450 | | KAKE television channel | 10 |
| Hutchinson | KSKU-FM | 106.1 | | KWCH television channel | 12 |

If there is no announcement prior to 7:00 a.m., you may assume that school will be in session.

WITHDRAWAL POLICY

The school should be notified in advance when a student will be withdrawing. A student letter for the new teacher will be prepared with information on subjects, etc., which will help the student in adjustment to a new school. All accounts are to be paid in full and all library books returned.
