

AMERICAN LEGION AUXILIARY
SUNFLOWER
GIRLS STATE

The American Legion Auxiliary Sunflower Girls State program will be held **June 3-8, 2018** on the campus of the University of Kansas in Lawrence, KS.

ALA Girls State is a nation-wide, American Legion Auxiliary program, focusing on the promotion of Americanism and good citizenship & leadership. ALA Sunflower Girls State was first held in 1939 and except for two years during World War II has been held annually.

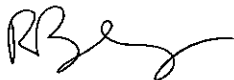

Outstanding young women chosen to participate in the program will learn the duties and responsibilities of citizenship through hands-on participation as citizens of Sunflower Girls State. **Our program is open to young women who are current Juniors.**

The Sunflower Girls State program receives support from citizens, civic groups, and other organizations interested in good government. Speakers have included elected officials, state employees, and community volunteers. These speakers help to inspire the Sunflower Girls State Citizens to take a more active role in public service.

The Citizens of Sunflower Girls State are chosen for their high moral character, leadership, scholarship, and interest in government.

Deadline for registration is May 1, 2018. Participants may be sponsored by their local American Legion Auxiliary Unit or may pay their own registration. More information can be found in the enclosed poster or at www.ksgirlsstate.org.

We encourage you to pass this information along to any young woman who may be interested!
