NOW TAKING APPLICATIONS FOR THE 2020-2021 SCHOOL YEAR

If your child is 3 or 4 years old, on or before August 31, 2020 and you would like them to have a positive preschool experience that prepares them for kindergarten, now is the time!

Your child will work on fine and gross motor skills, Social & Emotional skills, dramatic play, playdough, sensory, painting, cooperation, story time and academics. We also provide real-life learning opportunities through numerous field trips throughout the year. Because family involvement is important to the growth of your child, we plan several family activities during the school year. You are encouraged to come visit the teachers and see our facilities.
