

February 22, 2019

- The following list contains information regarding many of the Inman local scholarships to be awarded this year. Inman is very fortunate to have Donors willing to continue to offer scholarships even during difficult economic times. The process of applying starts with students identifying the scholarship(s) they qualify for and then putting together an application form for each separate scholarship. **All students are encouraged to apply for those scholarships they feel qualified for or know the donor(s).** **If a new scholarship is added after we start the process we will notify you in the quickest manner possible.
- In an effort to simplify the process for students and donors the **common application** has been streamlined to include two parts: 1) four applicant centered questions and 2) the students updated resume. The format for all scholarship applications should be the same unless otherwise stated under the specific scholarship details on this list (ex. Inman Lions Club Scholarship, Outstanding Work Ethic Scholarship & Inman FFA Alumni Scholarship will be slightly different).
- **Format: the first page of the application should have the title of the scholarship you are applying for at the top (in bold and larger print – Times Roman --20 works well).** Directly below the title the student should copy & paste each of the 4 questions followed by their answer in complete sentences and paragraph form. This process is repeated for each question. **I will place this informational page on the local Scholarship website so you always have an access place to get the questions & format from.** A typical application will average a paragraph or two for each question, but remember, the Scholarship Donor and/or committee may not know anything about you other than what they read. This fact alone should guide how much you write and the content of it. **The last page of the application should have your one-page resume on it.** Your resume should be complete with GPA, ACT, Class Rank, References, etc.. and it should be updated through seven semesters with all awards, honors, etc.. **Please put a small picture of yourself on the resume for the donors to recognize.** You might contact Mrs. Baldwin if you need the Senior snapshot for the yearbook for this. A typical application will be around 3 pages in length.

Student Questions:

1. **What accomplishments are you most proud of over your 4 years in high school?**
2. **What do you consider to be your strongest qualities and how have you used those to make an impact at Inman High School and in the community?**
3. **What are your future educational and career plans & goals?**
4. **In your own words, what makes you a good candidate for this scholarship? Please share anything else you would like to with the donor(s) that you have not included in the first three questions you answered.**

Deadline for all scholarships is Friday, March 29th 2019! Turn your finished applications into my office—it's best to personally hand them to me --- do not lay them on my desk. Do not send me digital copies unless you have contacted me previously about the need to do this. Staple the pages together in the proper order. Make sure you proof your application before you turn it in to me or preferably have someone else proof it for you. Do not list references without first having asked them. Notification of award winners is by personal mail through the High School Office or from the specific Scholarship Donor or committee. These notifications are sent out as soon as a decision is made but is on the timeline of the Donor(s). Only Scholarship Award winners are notified.

**Inman High School encourages all students to apply for as many scholarships as they meet the criteria for. Local scholarship winners are selected by the specific Donor(s) or their representative and in some cases a specific committee representing the donor(s). The Donor(s) have the option of choosing to give more scholarships away or even hold their scholarship(s) for the year if they need to.

Thanks and Good Luck!

Mr. Pfannenstiel

➤ **TROY D. HOSTETLER MEMORIAL SCHOLARSHIP (1)**

This scholarship is designed for a student who is interested in an agricultural related field major. Other areas may be considered. This scholarship is awarded on the basis of student's grades, ACT score, Leadership and involvement through out their years at Inman High School. Financial need is also considered. Total scholarship amount is set at \$300 that will be applied during the **first semester** of the 2019-20 school year. Application deadline is set for Friday, March 29, 2019.

Troy D. Hostetler, was a 1988 graduate of Inman High School where he was not only an outstanding student but also participated in Football and FFA. Troy was killed on Jan. 30, 2001, at Washington, Kansas as the result of an automobile crash. Troy was an area sales manager for Case Credit and a member of Trinity United Methodist Church, Hutchinson. Inman High School is very thankful that Dana & the family has continued to honor an outstanding Inman High School student in the Agricultural area since 2001 in Troy's name.
