

# LEXI MILNE and REBECCA WOOD

## STUCO Co-Presidents

We are Lexi Milne and Rebecca Wood and we are running for student council co-presidents. We are committed, responsible, and will be a great addition to the stuco team. We work well with others and will enjoy being involved in more student lead activities. No one knows what rules and regulations will look like next year; however, I can reassure you that we will be working hard to increase the amount of activities or plan alternatives so we can enjoy the year. We are looking forward to organizing not only fundraisers but other activities to increase student body involvement. Student council is an organization that's greatest purpose is to benefit students! Therefore, we should take advantage of this opportunity and make positive changes to improve the rest of our highschool experience. We have no idea what the next year has in store for us, but together we can make the best of it.

# **Emily Markley**

## **STUCO Secretary**

My name is Emily Markley, I am running for Secretary of the Student Council. In this position I assure you that on my behalf I will work hard, and listen to your ideas and do everything I can to make this upcoming school year the best it can be. As a candidate, being honest with you and keeping you informed on any challenges we may face is something you WILL be informed about. Being a part of an organization means working together and not apart. A chain is only as strong as its weakest link! Working to achieve goals, and organizing activities to change our school for the better, is something I hope to be a part of. As a leader, presenting you with new ideas and perspectives are a part of the plan. My experience and personality will allow me to offer new ideas to make our school a better place for you and me. Together we can achieve great things!

## Kylie Flaming - Secretary

My name is Kylie Flaming and I'm running for the position of Secretary for the 2021-22 school year. I've been a class officer with the position of Secretary both my Freshman and Sophomore years. I feel that I am experienced and I know I will give my all to make our school the best that it can be.

As a member of the Student Council team, I would be ready and willing to hear any suggestions or opinions from my peers. My number one goal would be to do as much as possible to improve our school and I would hope to accomplish this by listening and being a voice for all students. I feel it is important for students to be heard and I would do my best to make sure that they are.

Another big goal of mine would be to get this next school year back to normal as much as possible. Because of this past year with Covid-19, I think it is important to do as many things as we can. Planning fun things for our students to get involved in would be a priority of mine. I know many students enjoy activities like the dodgeball tournament and the turkey bowl. In addition to these, I would love to help plan new activities for our students to participate in and look forward to.

Thank you for considering me for the position of Secretary on our STUCO team. It would be an honor to be able to represent my peers in this upcoming school year.

# Josiah Buller

## STUCO Treasurer

¡Hola mis amigos! My name is Josiah Buller and I am running for STUCO treasurer. I am running because I want to help our school have fun next year while staying on track with our budget. I believe I am qualified for this position because I have been my class president for 2 years and have maintained a 4.0 GPA throughout those 2 years while being a 3 sport athlete. I also have experience with Student Council as I was the STUCO treasurer my 8th grade year in junior high.

This past year has been tough with restrictions due to Covid-19. I hope to help push for us to do as much as we can next year with restrictions hopefully going down. I will help make sure that we bring back all the events we had this past year and add some that we couldn't have such as: the back to school dances, Homecoming dances, and Valentine's Day & St. Patrick's Day activities. I also hope to get the school back to normal with open homeroom and regular lunch. I will work the administration to get as much done as I can as your STUCO treasurer next year.

I would really appreciate your vote in this election. Thank you.

## Eli Leck - Treasurer

I am running for Treasurer of the Inman Stuco because I would do my part in keeping up with the high school's funds. I would contribute with ideas and leadership to ensure the students of Inman High School have a fun year. And I will do my best to listen to what other students want. I'm sure there are things that will be requested that the Stuco team will not be able to organize, but that doesn't mean I, with the rest of the team, wouldn't try. I would help create plausible solutions that would work and provide fun opportunities for students. Being a part of Stuco isn't for those who don't work well with others, and I believe I will be able to work well as a team member helping, providing ideas, and listening to the other student council representatives. As well as working with the adults in our school who we will need to confer with regarding school activities.

I would bring ideas both of my own and consider those of others whether you are a representative or not. I cannot promise anything to you students other than I will do my best to arrange activities that everyone will enjoy, and provide leadership in all scenarios. I would welcome the chance to be a part of the Student Council but it is up to you the student body to decide if you want me there. Thank you for your support and I wish you, the student body, the best in the coming year.
