### **Jory Konrade “Make Each Day a Masterpiece” Memorial Scholarship (1)**

One graduating student from Inman High School will be the recipient of a \$500 Jory Konrade “Make Each Day a Masterpiece” memorial scholarship. Jory captured experiences and honored people he loved through sketching, watercolor, painting, sculptures, murals, and photography. He also had a deep appreciation for music, playing the drums for church, and singing and playing the guitar during family and friend jam sessions. His creativity was a gift from God that blessed many.

This scholarship was designed to honor creators who have a desire or talent to bring something new and beautiful to the world. This scholarship will be awarded to an individual willing to do the same. The recipient will bless others with the gift of art, music or photography to support their post-secondary education plans. Creating a masterpiece can take many shapes and forms, but recognizing the impact of the creation is what matters.
