Classes

3 YEAR OLD PRESCHOOL

3 year old preschool is for any child who has turned 3 on or by August 31st of the school year. Students must be fully potty trained prior to attending. Certain documents are needed in the office prior to the student's first day (see following page).

4 YEAR OLD PRESCHOOL

4 year old preschool is for any child who has turned 4 on or by August 31st of the school year.

Out of District Students

If you are applying to attend Inman Preschool but live outside the Inman school district you will be required to fill out an Out of District Request Form prior to attendance. This form can be found at <https://tinyurl.com/usd448OOD>. The Board will then approve or deny your request for attendance. Typically, these decisions will be made during the summer months and then you will be notified regarding the results.

There are several ways to qualify for free tuition as an out of district student, but if the child does not meet any of those qualifications, the monthly tuition fee is \$125.

What is Needed Prior to My Child Attending PK?

Students MUST be fully potty trained before they can attend preschool.

Specific copies of documents must be on file in the office before the first day of school at Inman Elementary before your child may attend preschool:

- a copy of their birth certificate
- a current copy of their immunization records
- a health assessment (well-child check) signed by their doctor (must be less than one year old)

**At Inman Elementary,
we believe that each
child deserves an
enriching environment
to learn & grow.**
